### The Work From Home Pioneer

Hi, I'm Gayla! I have been working from home since 2003.

If you are seeking a legitimate work from home job or ways to make some extra cash you are in the right place.

Work From Home On The Christian Journey is all about the work from home life – sharing tips, resources, and encouragement for those navigating the challenges and blessings of working from home, all from a faith-based perspective.

Please visit the blog to discover new job opportunities, side hustles, business ideas and more. Job opportunities, side hustles, business ideas and other information will also be published on the Facebook page.

Companies that are posted have been researched and are legit.

This is a list that I have compiled through the decades of working from home.

However, it is important for you to conduct your own research and evaluate the companies independently.

Check out the store for printable job search tools, including cover letters, resumes, and planners to guide you through your job search.
